Dinner is followed by fresh seasonal fruit or Turkish deserts like baklava. Only 2 dinner goes on land, at patmos and kalimnos with greek life music and the quests own cost during the week.

Whole day the crew serves:

Coffee, tea, water, Cola, Cola light, Fanta, Sprite, several fruit juices, rose, red and white wine, beer and several liquirs like raki, vodka and gin-tonic.

Our guests have comment:

Take off your watch and become temporarily timeless, get away from the crowd, listen to nature, sleep outside on deck; The sun will wake you up, take a plunge before breakfast, eat healthy food, getting spoiled, feel like a king, make friends for life, learn the tricks of sailing, get a great deep tan, listen to the wind and the waves, get gently rocked to sleep, feel good and relaxed, dress casually, no fixed itinerary...
